RESPONSE TO EXAMINER'S INTERVIEW SUMMARY

Sir:

In response to the Examiner's Summary of Interview dated May 11, 2007, the Applicants respectfully disagree with Examiner Bhatia's statement that Applicants' representative does not intend to elect a group identified by the Examiner.

As stated in Applicants' response to the restriction requirement filed on May 8, 2007, Applicants have requested that the Examiner proceed with Examination of all generic claims: 1, 39, 74, 78, 114, and 144. In addition, although the restriction requirement is respectfully traversed, Applicants provisionally elect Group XII.

Additional remarks regarding the restriction requirement and the appropriateness of examining similar claims to those included in Group XII are set forth in Applicants' response to the restriction requirement filed on May 8, 2007.

Respectfully submitted,
PAUL W. WILLES, ET AL.
